The Ukrainian Canadian Congress - Saskatchewan Provincial Council is pleased to announce that
the late Mr Pavlo R Yavorsky
has been selected as a Nation Builders Honouree for 2008.

Each autumn, UCC-SPC honours a select group of men and women for their exceptional contributions to the development of the Ukrainian Community, Saskatchewan and Canada. They are known as the **Nation Builders & Community Recognition Honourees**.

The 2008 Nation Builders & Community Recognition Awards Luncheon will take place on Sunday 02 November 2008 in Regina at the Hotel Saskatchewan Radisson Plaza, Regency Ballroom (2125 Victoria Avenue).

Pavlo Romanovich Yavorsky, Saskatchewan-born Ukrainian ballet master, CYMK founder and lifelong champion of Ukrainian heritage and culture — and subject of the biography, *'Show Them What You Can Do' ~ Building the Ukrainian Spirit Across Canada: An Illustrated Biography of Pavlo Romanovich Yavorsky* — was named a 2008 Nation Builder by The Ukrainian Canadian Congress - Saskatchewan Provincial Council at an awards ceremony and banquet in Regina on Sunday, November 2, 2008.

The posthumous award was presented to Pavlo's wife, Leontina Yavorska, who thanked the Council before an audience of more than 200 dignitaries and guests, saying, "Pavlo would have been overjoyed to think that he'd garnered such a great honour and recognition. Thank you so much."

FROM THE UCC-SPC:

"In 1991, Ukrainian Canadians marked 100 years of Ukrainian settlement in Canada. At that time, the National Ukrainian Canadian Congress recognized 100 Ukrainian Canadians who had made an outstanding contribution to the development of Canada. The Saskatchewan Provincial Council of the Ukrainian Canadian Congress resolved to similarly honour Ukrainians in this province. In 1995, the Nation Builders Awards were initiated. They have been bestowed annually since then. Honourees are those who have, without reward or gain, made meritorious contributions which have had a significant impact, left a legacy and/or been an exemplary role model to the Ukrainian community, Saskatchewan and/or Canada.

In 2005, as part of UCC-SPC's Saskatchewan Centenary celebration, this prestigious recognition program was enhanced by the establishment of a second award: the Community Recognition Award — which joins the Nation Builders Award as an annual presentation — bestowed upon persons who have made meritorious contributions to the Ukrainian community and/or Saskatchewan-Canada in one or more of these areas: Leadership; Cultural Preservation & Development; Creativity & Innovation; Volunteerism; Youth Achievement."
